STATE SENATOR

Statement on Senate Bill 3 (Nelson) - Co-Author

As a strong supporter of public education, as well as a former Trustee of the Lake Travis ISD School Board and Vice Chair of the State Board of Teacher Certification, I am proud to co-author Senate Bill 3 by Senator Jane Nelson to provide all Texas teachers with a \$5,000 salary increase.

Our teachers are vital to our children's education and I believe they're overdue for a raise. This legislation will begin to better compensate them for their dedication and commitment.
